# ASSEMBLY INSTRUCTIONS

BPSR48092402

**Final Assembly**

Components:
BPSR48092402
Panels

(1) Solid Top - 24"x48"

(1) Grid Top - 24"x48"

Legs: (9) - 6" legs

(6) - Stackers

(9) 6" legs

(4) Stackers

Bottom of Grid Panel
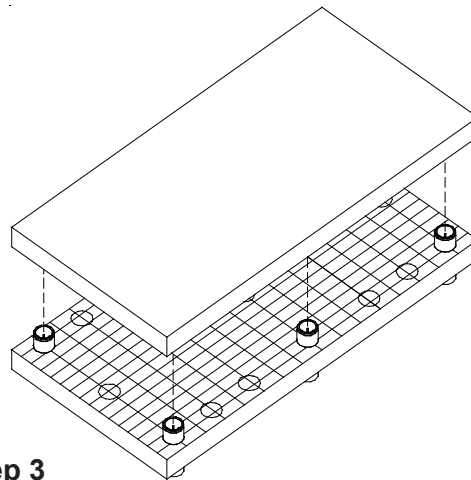

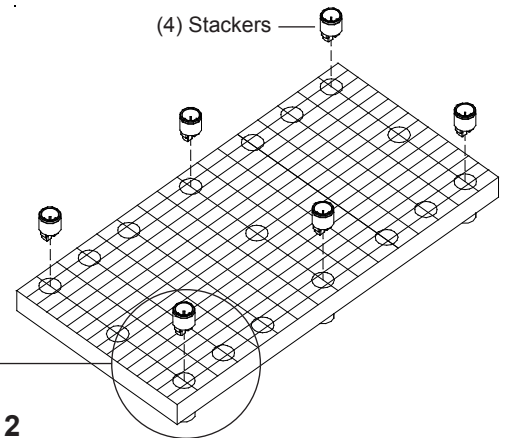

Stacker

Step 1
Grid Panel
Invert **Grid Panel** and place **(8) 6" Legs** in outside sockets and **(1) 6" Leg in center socket** as shown. (Make sure legs are pushed all the way down).
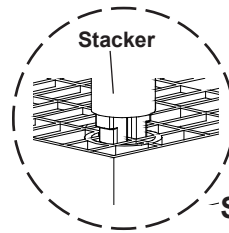

Step 2
Stacker Insertion
Return **Grid Panel** in the upright position. Place **(6) Stackers** in the grid of all 6 outside sockets as shown. (Make sure stackers are pushed all the way down).

Step 3
Solid Top Panel
Next, align the sockets of the **Solid Top Panel** above the **Stackers** and push panel all the way down until resting on the **Grid Panel** as shown. (Make sure the panels are pushed together tightly).
